

[IPCCC 2014] Call for Posters – 33<sup>rd</sup> IEEE International Performance Computing and Communications Conference

**Call for Posters**

**33<sup>rd</sup> IEEE International Performance Computing and Communications Conference (IPCCC 2014)**

*December 5<sup>th</sup> - December 7<sup>th</sup>, 2014*

*Austin, Texas, USA*

The International Performance, Computing, and Communications Conference (IPCCC) is a premier IEEE conference presenting research in the performance of computer and communication systems. IEEE IPCCC 2014 (<http://ipccc.org/index.html>) will be held in Austin, Texas, USA, on December 5 - December 7, 2014.

The IPCCC poster session is an excellent venue for presenting and discussing recent and ongoing work. Student submissions are especially encouraged and will be given preference. However, non-students are also welcome to submit. For maximum exposure, the poster session will be held with the conference reception.

Topics of interest include, but are not limited to, the following:

- Big Data Processing and Analytics
- Cache, Memory, and Disk Storage Systems
- Cloud Computing
- Cyber Physical Systems
- Data Centers
- Embedded Systems
- Fundamental Theory and Algorithms
- Internet Services and Network Management
- Mobile Ad Hoc, Sensor and Mesh Networks
- Multimedia Networking
- Multi- and Single-Core Processor Architecture
- Network Data Mining
- Network Information Assurance and Security
- Network Protocols
- Online Social Network Analysis
- Parallel and Distributed Systems
- Performance Evaluation and Modeling

- Performance Tools and Techniques
- Satellite and Space Communications
- Smart Grid and Intelligent Mission Critical Operations
- Smart Health Systems
- Ubiquitous Computing
- Wireless Communication and Networks
- Workload Characterization and its Impacts on Architecture Design

Submission Guideline:

Authors are invited to submit two-page poster papers. Submitted manuscripts should be structured as technical papers and may not exceed 2 letter size (8.5 x 11) pages including figures, tables and references using the IEEE format for conference proceedings:

<http://www.computer.org/portal/web/cscps/formatting>

A subset of full paper submissions will also be invited to the IEEE IPCCC Poster Session. Accepted poster papers will be included in the conference proceedings.

Submissions should be sent to the Poster Chair, Dr. Linwei Niu (nlinwei1@gmail.com), by **Sep 22nd, 2014**.

Poster Display Size:

The poster for display should not exceed 46in by 34in (1168mm by 864mm).

Best regards,

Linwei Niu
